

Refund & Cancellation Policy

1. Non-Refundable Purchases

All soft PIN purchases and subscription services are non-refundable once the transaction is completed and the PIN code or subscription access has been delivered.

2. Accuracy of Information

Customers are responsible for ensuring that all purchase details, including email, phone number, and selected product, are correct before confirming payment. We are not responsible for incorrect purchases due to customer error.

3. Delivery Issues & Refund Requests

If you have proof that you did not receive the PIN or subscription service within 24 hours of purchase, you may request a refund by contacting or emailing our support team. Refund requests without verifiable proof of non-delivery will not be processed.

4. Fraud Prevention

For security reasons, transactions flagged as suspicious may be delayed or cancelled. We reserve the right to request additional verification before processing such orders.

5. Service Cancellations

Subscription services can be cancelled at any time, but no refunds will be issued for any remaining subscription period.

6. Contact Support

For assistance or to request a refund under the above terms, please contact us at contact@myleet.com. Our team will review your case and respond within 3 business days.
